

DENVER COUNTY ARRA FUNDING AND PROJECTS

- ❖ Based on the latest information available to the Governor's Office. This report is not comprehensive because new Recovery Act awards are announced frequently. This does not include funds - including income tax cuts, increased COBRA benefits, increased funds to cover Medicaid services and others - that cannot be broken down by county. Does not include a \$72 million grant to RTD for maintenance since it is not known yet where those funds will be spent. Denver officials say they are distributing \$55 million of the funds listed below.
